Chandan Shridhar Hegde

Pre-Final Year Student • B.E. in Information Science & Engineering @ NIE (North Campus), Mysore | Aspiring Web Developer | Python • JavaScript • MySQL | Full-Stack Development Enthusiast | Data Analysis Learner

Sirsi, Karnataka, India

Summary

“Growth happens when curiosity meets consistency.”

I am a B.Tech student in Information Science at NIE Mysore with a strong passion for web development and coding. I work with C, C++, Python, JavaScript, and MySQL, and I am continuously improving my full-stack development skills.

I also write Kannada stories, bringing creativity and imagination into my work. I enjoy exploring how technology and storytelling can come together to create meaningful experiences.

I am always open to learning, collaborating, and building impactful tech solutions.
